ANSWER CHOICES	RESPONSES	
Yes	92.07%	685
No	2.55%	19
Unsure	5.38%	40
TOTAL		744

Q8 Do you support the establishment of front of house pill testing programs at music events and fixed sites? Front of house pill testing involves direct engagement with the person presenting the drugs for testing and is a holistic and thorough process that provides information, education and an opportunity to speak with peer workers and health professionals.

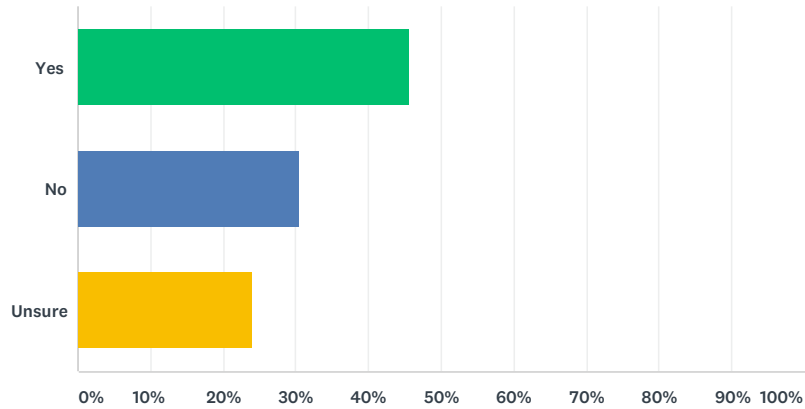

Answered: 748 Skipped: 0

ANSWER CHOICES	RESPONSES	
Yes	92.65%	693
No	3.07%	23
Unsure	4.28%	32
TOTAL		748

Q9 Do you support the back of house pill testing programs as a compromise solution for music events? Back of house pill testing is sometimes also called Police Acquired Drug Checking and involves no direct engagement with the person presenting the drugs for testing. It involves confiscated and discarded drugs at a festival being taken by police to a testing facility on-site.
